

COMPETITION ANALYST

The Fair Trading Commission invites applications for the post of **Competition Analyst**.

The Officer will be responsible for conducting economic analyses in support of the Commission's activities geared toward safeguarding the competitive environment in which goods and services are supplied.

Duties include analysing industry structures and business activities in various markets to determine their effects on competition and market behavior, within the context of the provisions of the Fair Competition Act.

Minimum Requirements

A Master's degree in Economics from a recognised university. The preferred candidate should have specialist training in either Industrial Organisation or microeconomic theory. Applicants must possess demonstrated skills in preparing written reports and making oral presentations of a highly technical economic nature.

Where to apply

Applications should be submitted no later than Wednesday, September 15, 2021, to:

The Executive Director
Fair Trading Commission
