FTC STATEMENT ON RELEASE OF DRAFT REPORT ON THE INVESTIGATION INTO THE CONDUCT OF SUPREME VENTURES LIMITED

On February 14, 2022, the Fair Trading Commission (FTC) inadvertently uploaded on its website, the Commission's draft Report on its investigation into the conduct of Supreme Ventures (Jamaica) Limited, Case No. 8168-21.

The publishing of the draft Report was premature as it had yet to be approved by the Commission. Accordingly, the Report should not be taken as the Commission's final Report.

On the morning of February 16, 2022, the draft Report was taken down from the FTC's website.
